Why Study in Greece

24

Universities

210

International Programs

260

Sunny Days Per Year

60

Student Cities

01.

World class education:

Greek Universities with a forward-looking international profile emphasize the provision of research-based knowledge, contribute to lifelong learning and boost arts and culture.

02.

Wide range of International Bachelor's & Master's programs:

Promoting research and innovation, Greek Universities offer a diversity of academic programs in English for international students.

03.

Vibrant student life:

Combining academic excellence, bustling culture, and fantastic climate, Greece is a diverse and exciting place for international students.

04.

Cradle of Western Philosophy and Science:

Greece, the "birthplace of Academia and Western thought" constitutes a thriving research centre, with ongoing work in theoretical and scientific fields as well as in cutting-edge technology.

FAQ

+ Where can I find Bachelors and Masters?

On our website, you can find Bachelor and Master programs from public Greek universities:

[Bachelors \(taught in Greek / English\)](#)

[Masters \(taught in Greek / English\)](#)

+ Can I apply for a Bachelor Program taught in Greek?

Yes. Public Greek universities accept foreign students.

Find out more here:

<https://helpdesk.studyinggreece.edu.gr>

+ How to apply to a Master's program?

Find your preferred master courses on [Master's searching page](#).

Then, contact the equivalent secretary in order to see the application deadlines and required documents.

+ How can I apply for a student VISA?

In order to obtain your student visa, you first need an official acceptance letter from your chosen University in Greece, which must be an institution certified by the Greek Ministry of Education.

You can find more details at the following link:

<https://studyinggreece.edu.gr/visa/>
