## BRIEF DESCRIPTION:

How can you facilitate and enhance student engagement during lectures?

In this workshop for university teachers we focus how to encourage student activity and engagement during lectures in order to support students' learning.

- This workshop will focus on how to encourage activity and engagement during a lecture in order to support students' learning.
- You will learn about what research report on why interactive lectures are beneficial for students' learning.
- You will also experience several concrete strategies that you can use during your own lectures and discuss various ways to include activities in lectures.
