- ▶ Email: medicen@uoa.gr

Program overview

- ▶ 6 years (12 semesters)
 - ▶ 1- 5 semesters: pre-clinical courses
 - ▶ 6-9 semesters: clinical courses
 - ▶ 10-12 semesters: full-time clinical practice in Internal Medicine, Surgery, Pediatrics, Obstetrics-Gynecology, Psychiatry and one elective medical subspecialty in University Departments of 16 Hospitals in Athens. Students function by shadowing medical residence within the Department between 8.00 – 16.00 every working day and participate in night shifts at least once a week for 2-3 months in each course.
- ▶ Successful examination in **48 obligatory courses and 12 elective** courses
- ▶ **360 ECTS** to be acquired
- ▶ Possibility to learn the Greek language at the [Modern Greek Language Teaching Center](#) of the University

Who may apply

- ▶ 1. The program is addressed exclusively to foreign nationals of EU and non-EU countries (National ID card and passport will be required for proof).
- ▶ 2. Eligible applicants should have attended the final two classes of high school (or equivalent school) in a foreign country and should have obtained a high school diploma (June 2022 or earlier) or other equivalent secondary education diploma that entitles them to admission to higher education institutions in the country where they graduated. (A high school graduation diploma and two final years' academic transcripts will be required, both in the original language and in an official translation in English).

Required for application

Eligible applicants should have obtained the following:

A) International Baccalaureate (IB) with at least 38 points overall, including three higher level subjects (two of them should be selected from Physics, Chemistry, Biology), and three standard level subjects,

or

B) Senior High School graduation diploma (other than IB) AND successful examination in one of the following tests:

- A-levels with minimum grades AAB at least in Chemistry, Biology and any other course other than English
- BMAT (Biomedical Admission Test)
- MCAT (Medical College Admission Test)
- UCAT (University Clinical Aptitude Test), or
- National university entrance exams at their home country.

C) **Certificate of competency in English** – at least the B2 level

- TOEFL score (with a minimum score 80/120)
- IELTS: Overall score of 6.5 or above, with at least 5.5 in each component.
- First Certificate in English (FCE): B2

Candidates who are English native speakers or have a graduation diploma from a high school with the instruction in the English language, are exempt from submitting a certificate of competency in English.

Other required documents

- ▶ Letter of motivation
- ▶ CV in English
- ▶ Reference letters (not mandatory)

Personal interview

- ▶ Candidates who are eligible for admission may be invited to an interview via online video conference.

Successful candidates will be chosen on merit after the evaluation of their grades, exam results, the personal statement, CV, reference letters (if available) and the interview.

18 Centers of Expertise in Rare Diseases of the School of Medicine:

- ▶ Devoted in the diagnosis, treatment, monitoring and management of patients;
- ▶ They have the necessary equipment, integrate a multidisciplinary team with experience in the management of "rare" patients,
- ▶ They provide a high level of expertise and capacity to give guidelines and a system for monitoring their implementation,
- ▶ They contribute to the promotion of research, ensure that care is patient-centred and work harmoniously and effectively with the patient, and
- ▶ They provide a high level of treatment for the rare patient.

Why study In Athens

The City of Democracy and Civilization :

Athens is the cradle of the western civilization and one of the world's emblematic capitals with a 6.000-year continuous history.

The City of the Amazing Landmarks :

The Acropolis the symbol of Athens, linking the fabulous ancient civilization with the modern city, the Ancient Agora, the Odeion of Herodus Atticus, as well as the Acropolis Museum, the Stavros Niarchos Foundation Cultural Centre, and so many others.

The City Which Never Sleeps :

Harmony, music, Eros, euphoria make Athens the ultimate entertainment

capital of Europe, day and night, full of cultural events and an intense nightlife of a very low cost and a high quality. Greek tastes and culinary specialties will pleasantly surprise you. In Athens with a gastronomic tradition of 4.000 years, you will find flavors and spices from both east and west.

The City of an Unforgettable Student Life :

Under the brilliant light of the Attic sky, the contrast of the landscape around Athens between sea and mountain, gives the opportunity for short trips.
