

December 9, 2022

Professor M.-A. Dimopoulos
Rector
National and Kapodistrian University of Athens

Dear Dr. Dimopoulos:

It is my pleasure to inform you that Dimitris Gizopoulos has been selected as an ACM Distinguished Member for outstanding scientific contributions to computing.

The advanced member grade level of Distinguished Member was initiated in 2006 to recognize ACM Professional Members who have achieved a significant accomplishment in, or made a significant impact on, the computing field.

ACM issued its press release announcing the 2022 Distinguished Members on December 7, 2022. The press release can be viewed at: <https://www.acm.org/media-center/2022/december/distinguished-members-2022>

On behalf of ACM, we are delighted that Dr. Gizopoulos is among the inductees honored with this designation and ask you to join us in congratulating him on this well-deserved recognition.

Sincerely,

Geraldine Fitzpatrick
Chair, ACM Distinguished Member Committee
GF/jm
