

## European University for Ocean Sciences (EU-OS)

Aix Marseille Université | National and Kapodistrian University of Athens | Université libre de Bruxelles |  
 Stockholms Universitet

### I. Course Block: **OCEAN LAW AND GOVERNANCE**

#### II. Course block leader:

**Professor Emmanuella Doussis**, Department of Political Science and Public Administration, National and Kapodistrian University of Athens & **Pascale Ricard**, CNRS Researcher, Aix Marseille Université.

#### III. Course block description:

The webinars on Ocean Law Governance jointly offered by the Aix Marseille Université – AMU and the National & Kapodistrian University of Athens – NKUA aim at providing an insight of the legal, institutional and policy-making dimensions pertaining to contemporary ocean affairs.

The one-week programme includes an introductory course on the legal and institutional framework of ocean governance, as well as specialized courses on different ocean policy domains that are at the forefront of ocean management today: Maritime spatial planning; Energy at sea; International Governance of Marine Living Resources; Environmental law, including response to plastic pollution.

#### IV. Course block schedule:

Students are expected to follow all courses in the block to qualify for the final examination.

The course block does not offer ECTS but can be recognized and validated by the CIVIS passport.

The programme has as follows:
