

The Archangel Michael battles with Satan and casts him out of heaven. The Church must depend not on the world but on her own divine life to exist. Evolving Church Ministry, reflected in the past, present and future of Canon Law, assists in achieving this end.

*Then I heard a loud voice in heaven say: "Now have salvation and power come, and the kingdom of our God and the authority of his Anointed"
(Revelation 12, 10)*
